## Expertise

## About Me

Hi there, this is **Mohammed Shadhir**. I received a Higher National Diploma (HD) in software engineering as an undergraduate from Cardiff Metropolitan University in the United Kingdom. I finished my basic education at K/ Kurugoda Boys Muslim College Akurana and then my secondary education at Azhar Central College Akurana, Throughout my academic career, I was able to develop and apply a wide range of talents.

I have developed a number of abilities so far, including leadership, flexibility, critical thinking, communication, and time management. In the course of my professional career, I also aspire to pick up new abilities that will help me and my business be more productive.

## Experience
